Bau Table Lamp

By Visual Comfort Modern

Description

Inspired by the Bauhaus movement, the Bau Table Lamp is characterized by its clean lines and simple yet dramatic silhouette, exuding a chic modern vibe perfect for any contemporary setting. A warm glow of LED light is emitted upwards from between the thin half-circle metal plates. Use the Bau as an accent piece and source of ambient lighting in your living room, bedroom, or office. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
