Octavia X-Large Linear Chandelier

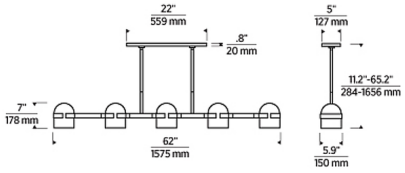

By Visual Comfort Modern

Description

Crafted with precision and style, the Octavia X-Large Linear Chandelier pairs a sleek metal framework with domed metal shades, exuding modernity while preserving a timeless essence. Its distinctive profile enhances any setting, whether placed over a kitchen island or dining table. Crystal diffusers within the shades disperse the LED light, providing a glow of ambient illumination. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
