Octavia Pendant

By Visual Comfort Modern

Description

Blending modern design with a timeless essence, the Octavia Chandelier is crafted with a sleek metal framework and domed metal shades. Its distinctive profile enhances any space. Crystal diffusers within the shades disperse the LED light, providing a glow of ambient illumination for a small dining area, an entryway, or bedroom. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.

Specifications
