## Octavia Medium Wall Sconce By Visual Comfort Modern

### Description

Blending modern design with a timeless essence, the Octavia Medium Wall Sconce is crafted with a sleek metal framework and domed metal shades. Its distinctive aesthetic and tasteful finishes enhance any space. Crystal diffusers within the shades disperse the LED light, providing a glow of ambient illumination for a hallway, entryway, or bathroom. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
