## Octavia Small Wall Sconce

By Visual Comfort Modern

### Description

The Octavia Small Wall Sconce combines a sleek metal framework with a domed metal shade for a look that is both modern and timeless. Its distinctive aesthetic and tasteful finishes enhance any space, including bedrooms, hallways, and living rooms. A crystal diffuser inside the shade disperses the LED light, providing an ambient glow. TRIAC and ELV dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
