Octavia Floor Lamp

By Visual Comfort Modern

Description

The Octavia Floor Lamp is crafted with precision and style, made of a sleek stem and two domed metal shades that exude modernity while preserving a timeless essence. Its unique silhouette adds a touch of grandeur to any setting, whether placed in a bedroom, home office, or living room. Crystal diffusers within the shades disperse the LED light, providing a glow of ambient illumination. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
