Sanchi 3-Tier Chandelier

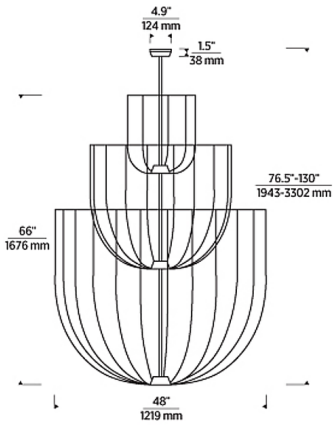

By Visual Comfort Modern

Description

The Sanchi 3-Tier Chandelier is hand-hammered by skilled craftsmen, boasting a unique metal surface that creates interesting interplays of light and metal. Embodying the modern luxe aesthetic, the Sanchi elevates any contemporary space with its distinctive design and grand scale. Integrated LED uplights and a downlight fill your space with a warm glow. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires a junction rated for fixtures weighing over 50 lb.
