Sanchi 2-Tier Chandelier

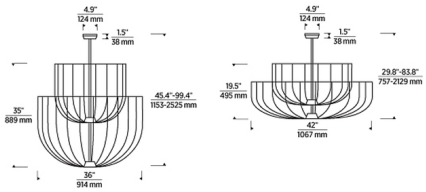

By Visual Comfort Modern

Description

The Sanchi 2-Tier Chandelier epitomizes modern luxe. Skilled craftsmen meticulously hand-hammer each piece, infusing unique character into every detail. Integrated LEDs cast light upwards and downwards, highlighting the intricately hammered surface while filling your space with a warm glow. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires a junction rated for fixtures weighing over 50 lb.

Shown in polished antique brass
