Sanchi Pendant

By Visual Comfort Modern

Description

The Sanchi Pendant is hand-hammered by skilled craftsmen, boasting a unique metal surface that creates interesting interplays of light and metal. Embodying the modern luxe aesthetic, the Sanchi elevates any contemporary space with its distinctive, artistic design. Integrated LED light sources shine upwards and downwards to cast your space in a warm glow. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
