## Sanchi Convertible Semi Flush / Pendant By Visual Comfort Modern

### Description

The Sanchi Convertible Semi Flush / Pendant epitomizes modern luxe. Skilled craftsmen meticulously hand-hammer each piece, infusing unique character into every detail. An integrated LED upright and downlight highlight the intricately hammered surface while filling your space with a warm glow. This fixture can be installed as a semi flush ceiling light or as a pendant. TRIAC, ELV, and 0-10V dimmable. This item is made of natural brass, a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
