Quoddy Table Lamp

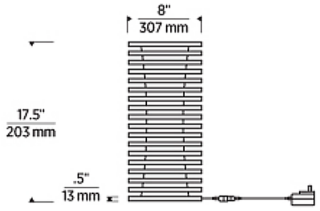

By Visual Comfort Modern

Description

The Quoddy Table Lamp embodies urban chic, inspired by the majestic sunrise over a bustling metropolis. Its sleek design mimics the skyscrapers that pierce through the first light of day, capturing the allure of city life. LED light is emitted from the center, providing an inviting glow for your bedroom, living room, or office. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
