Kennett Table Lamp

By Visual Comfort Modern

Description

Inspired by the delicate form of mushrooms, the Kennett Table Lamp boasts a captivating aesthetic, while emitting a soft diffused glow of LED light from the bottom of the shade. Elevate your decor with this perfect blend of nature-inspired design and modern functionality. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
