## Aegis Table Lamp By Visual Comfort Modern

**T**20

## Description

The Aegis Table Lamp embodies contemporary design in its stark geometric silhouette and sleek metal finish. The natural travertine options are further enhanced by the organic beauty of authentic stone. The Aegis complements a range of interior settings from modern to transitional. Place it in your office, living room, or bedroom to add a glow of warm illumination. The stone may vary due to natural inclusions. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
