Lassell Double Wall Sconce

By Visual Comfort Modern

Description

The Lassell Double Wall Sconce offers modern flair with a touch of mountain luxury style. Its tapered laser-etched crystal diffusers disperse warm ambient light and add texture and dimension to your space as the etched patterns glow bright. Place the Lassell in an entryway or arrange multiple throughout a living room or hallway to make a chic contemporary statement. 0-10V, ELV, and TRIAC dimmable. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.
