Pench Tapered Linear Chandelier By Visual Comfort Modern

Description

The modern Pench Tapered Linear Chandelier houses concealed LED light sources within its monolithic metal form, casting warm ambient downlighting onto the surfaces below. The simple yet bold form makes a modern statement in any dining room, kitchen, or living area. TRIAC, ELV, and 0-10V dimmable. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
