Lassell Pendant

By Visual Comfort Modern

Description

The Lassell Pendant is delicate with a touch of mountain lux style, representing modern minimalist lighting in its purest form. Its crystal diffusers feature interior laser etching that adds dimension and texture as LED light passes through. Use this mini pendant individually or in multiples to illuminate kitchen islands, dining tables, and bedrooms. The cable can easily be cut in the field to fit your space. Includes a 120-277V universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. Two canopy options are available: 2.6 Inch Diameter: Offers a clean minimal look and mounts to the included mini junction box. Driver is installed in a remote accessible location. 4.6 Inch Diameter: Mounts to a standard junction box which is not included. Driver is installed in the junction box. The Natural Brass is a living finish that will patina, warming over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.

Specifications
