Lassell Linear Multi-Light Chandelier

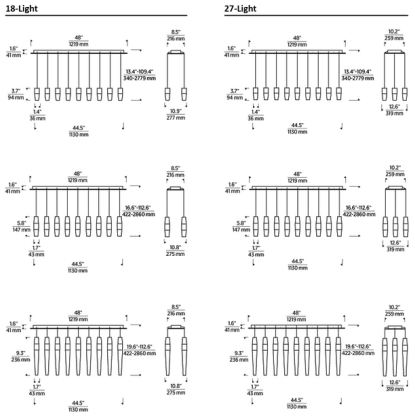

By Visual Comfort Modern

Description

The Lassell Linear Multi-Light Chandelier catches the eye with its modern flair infused with a hint of mountain lux style. A suspension of LED lights and laser-etched crystal diffusers, the Lassell disperses warm ambient illumination and offers texture and dimension as light filters through the crystal. The lights can be hung at a uniform level or staggered in height for a dramatic effect. This chandelier makes a chic contemporary statement in your living room or dining area. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires a junction box rated for fixtures weighing more than 50 lb.

Shown in natural brass / clear
