Lassell Monorail Mini Pendant

By Visual Comfort Modern

Description

The Lassell Monorail Mini Pendant is delicate with a touch of mountain lux style, representing modern minimalist lighting in its purest form. Its crystal diffusers feature interior laser etching that adds dimension and texture as LED light passes through. Use it as a single suspension or hang multiple to illuminate a dining area, kitchen, or office. A field-cuttable cable and monorail connector are included. Dimmable with an ELV or MLV dimmer depending on the system transformer. Note: Requires a 1-circuit monorail track system, sold separately. The Natural Brass is a living finish that will patina, warming over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.

Specifications
