## Ice Cube Round Multi Light Pendant By WAC Lighting

### Description

The Ice Cube Round Multi Light Pendant is the perfect addition to any interior in need of a glamorous touch. Ice Cube contains an array of cubic shades, each faceted like a hand-cut jewel, suspended from a round canopy. Each pendant contains an integrated LED, which refracts off of the optic crystal for a stunning display of light. Dimmable with ELV (100-10%), 0-10V (100-5%), or TRIAC (100-5%) dimmers. A CCT-select switch in the canopy allows the color temperature to be set to 2700/3000/3500/4000K during installation. Note: Due to the weight of the fixture, additional ceiling support is required.

### Specifications

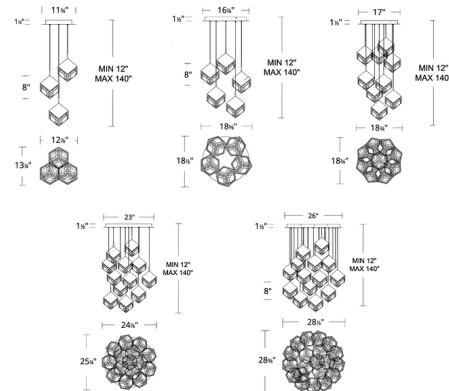

COLOR . . . . . Crystal
