## Ice Cube Linear Multi Light Pendant

By WAC Lighting

### Description

The Ice Cube Pendant is the perfect addition to any interior in need of a glamorous touch. Faceted like a hand-cut jewel, Ice Cube contains integrated LEDs which are refracted off of the optic crystal for a stunning display of light. Dimmable with ELV (100-10%), 0-10V (100-5%), or TRIAC (100-5%) dimmers. A CCT-select switch in the canopy allows the color temperature to be set to 2700/3000/3500/4000K during installation. Note: Due to the weight of the fixture, additional ceiling support is required.

Shown in black / crystal

### Specifications
