Quill Square Multi Light Pendant

By WAC Lighting

Description

The Quill Square Multi Light Pendant offers a streamlined, conical silhouette that will make a dramatic statement in any interior. Each pendant's flared glass body is accented with V-shaped grooves to create a prismatic effect, while the staggered metal and glass elements add a sense of movement. An array of these pendants are suspended from a square canopy, making it a natural fit as a statement piece. A CCT-Select switch in the canopy allows the color temperature to be set to 2700/3000/3500/4000K prior to installation. Dimmable with ELV (100-10%) or TRIAC (100-5%) dimmers.Note: Due to the weight of the fixture, additional ceiling support is required.

Shown in chrome / clear
