Vornado Multi Light Pendant

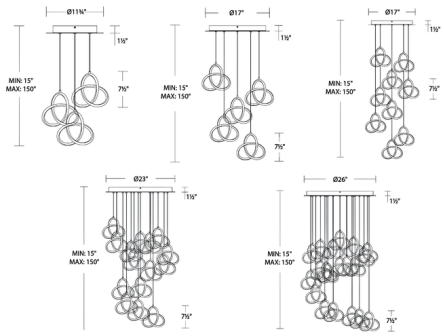

By WAC Lighting

Description

The Vornado Multi Light Pendant features a grouping of pendants shaped in seamless swirls formed by a continuous loop of LED light. The light is softened through a composite diffuser and provides omni-directional ambient lighting suitable for a range of spaces including living rooms, dining areas, and bedrooms. The sleek electrified cable eliminates the need for a clunky power wire, creating a chic floating effect. Dimmable with ELV (100-10%) or TRIAC (100-5%) dimmers.

Shown in chrome
