Margarite Chandelier

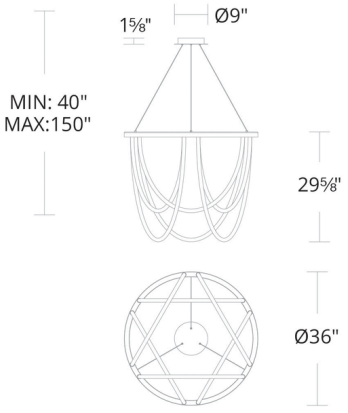

By WAC Lighting

Description

The Margarite Chandelier offers a refined, modern interpretation of a classic chandelier silhouette. Loops of diffused LED light are draped from the circular frame, recalling strands of crystal beads seen on more traditionally styled chandeliers. Dimmable with ELV (100-10%), 0-10V (100-10%), or TRIAC (100-5%) dimmers.

Shown in black / white

Specifications
