# Arrow Outdoor Wall Sconce

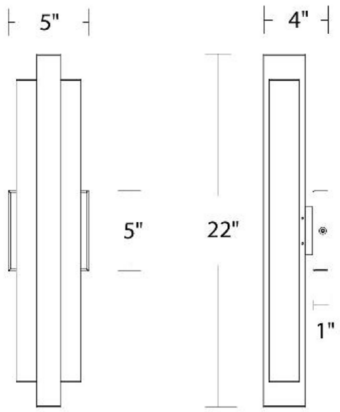

By WAC Lighting

## Description

The Arrow Outdoor Wall Sconce creates a dramatic display from a deceptively simple silhouette. Two overlapping rectangular portions are combined and supported by a square backplate. Light is directed both downwards and back towards the wall to create a sense of soaring, upward motion reminiscent of classic Art Deco lines. Dimmable with ELV (100-10%) or TRIAC (100-5%) dimmers.

Shown in black
