## Colorscaping RGBTW Smart Outdoor Wall Sconce 15V

By WAC Lighting

### Description

Live your life in color and transform your outdoor space with the Colorscaping Outdoor Wall Sconce. Create personalized lighting experiences with tunable white light to complement your garden and architecture, or select from an endless palette of subtle or vivid colors for entertaining or holiday displays. The pure white light can be tuned from 2700K to 6500K, and millions of RGB colors are available. This smart light can be controlled through the MyWAC app via WiFi or wired ethernet. App functions include adjusting dimming and color, and creating scenes, groups, and schedules. You can also select whether to use the uplight, downlight, or both. The light can also be controlled using DMX 512. With its corrosion-resistant aluminum alloy construction, this light is engineered to withstand challenging outdoor conditions including marine and coastal environments. A 10 ft lead wire and gel filled wire nuts are included. Notes: A WAC Colorscaping smart transformer is required, sold separately. Does not mount on a standard junction box.
