Grand In-Ground Light 12V

By WAC Lighting

Description

The Grand In-Ground Light is a high output luminaire with a tiltable adjustable beam angle and integral on-board dimmer. It is also MLV dimmable. This durable fixture features corrosion-resistant aluminum alloy or die-cast brass construction and an IP67 rating, and it can be driven over by up to 4500 lb. The Bronze on Brass option is solid brass coated in bronze, offering enhanced protection in coastal areas. A 6 ft lead wire and direct burial gel filled wire nuts are included. Note: A transformer is required, sold separately.
