Hornet Accent Light 12V By WAC Lighting

Description

The Hornet Accent Light is a versatile landscape light with a small form factor. Its beam angle is continuously adjustable and indexed at 20, 35, 45, 60, and 70 degrees, allowing flexibility for illuminating buildings, garden features, or greenery. Corrosion-resistant die-cast brass construction ensures durability in challenging outdoor environments including coastal areas. A mounting stake, 12 ft lead wire, and direct burial gel filled wire nuts are included. Note: A transformer is required, sold separately.
