Colorscaping RGBTW Smart Power Accent Light 15V By WAC Lighting

Description

Live your life in color and transform your outdoor space with the Colorscaping Power Accent Light. Create personalized lighting experiences with tunable white light to complement your garden and architecture, or select from an endless palette of subtle or vivid colors for entertaining or holiday displays. The pure white light can be tuned from 2700K to 6500K, and millions of RGB colors are available. Beam angle is adjustable using fixed lenses which offer high power. Four beam angles are included: 15, 25, 45, and 60 degrees. This smart light can be controlled through the MyWAC app via WiFi or wired ethernet. App functions include adjusting dimming and color, and creating scenes, groups, and schedules. The light can also be controlled using DMX 512. With its corrosion-resistant aluminum alloy or brass construction, this light is engineered to withstand challenging outdoor conditions including marine and coastal environments. The Bronze on Brass option is solid brass coated in bronze, offering enhanced protection in coastal areas. A 9 inch mounting stake, detachable shroud, 6 ft lead wire and direct burial gel filled wire nuts are included. Note: A WAC Colorscaping smart transformer is required, sold separately.

Specifications
