Colorscaping RGBTW Smart Hardscape Light 15V

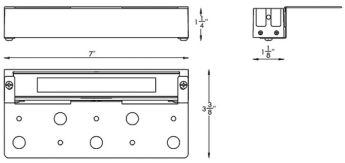

By WAC Lighting

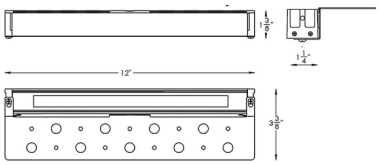

Description

Celebrate artful illumination and transform your outdoor space with the Colorscaping Hardscape Light. Pure tunable white light from warm 2700K to cool 6500K and millions of RGB colors in subtle to bold, vivid hues are at your fingertips. You can create just the right look and mood in your space, highlight a textured wall, or illuminate an outdoor kitchen or bar. The possibilities are endless, letting you design a personalized scene for everyday lighting or set the stage for entertaining or a holiday display. This smart light can be controlled through the MyWAC app via WiFi or wired ethernet. App functions include adjusting dimming and color, and creating scenes, groups, and schedules. The light can also be controlled using DMX 512. With its corrosion-resistant aluminum alloy or brass construction, this light is engineered to withstand challenging outdoor conditions including marine and coastal environments. The Bronze on Brass option is solid brass coated in bronze, offering enhanced protection in coastal areas. A Quick Release connection at the fixture allows easy detachment from the capstone bracket after installation. A 6 ft lead wire and direct burial gel filled wire nuts are included. Note: A WAC Colorscaping smart transformer is required, sold separately.

Shown in bronze on brass / frosted

Specifications
