Tie Stix Metal Indirect Remote Power Vanity Light By PureEdge Lighting

Description

The Tie Stix Metal Indirect Remote Power Vanity Light features a flat, milky white lens that directs light towards the wall for a low-glare indirect lighting effect. Available in widths from 15 to 69 inches. Metal channel finish options include Satin Nickel, Satin Brass, Chrome, Antique Bronze, Satin Black or White. Canopy and hardware are offered in Satin Nickel, Chrome, Antique Bronze, Satin Black or White finish. Includes 5 watts LED per foot with 2700K, 3000K, and 3500K color temperature options. 4SQ canopy mounts to standard 4 inch square electrical box with round plaster ring. 2RE mounts to standard 4 inch electrical box with single gang plaster ring or single gang electrical box. 1RE mounts to Slim Profile Junction Box (included) in new construction applications. Can be mounted in a horizontal or vertical position. Note: This fixture requires a remote power supply (sold separately).
