## Bolla Pendant

By Artcraft

## Description

The Bolla Pendant radiates unique allure through its innovative design, seamlessly combining a half-acid white and half-ribbed smoke glass sphere. The pendant's interplay of textures and tones establishes a visually striking focal point, effortlessly merging contemporary aesthetics with enduring charm. This unique glassware is complimented with a semi gloss black frame. Height adjustable with rods and built in hang straight for sloped ceilings.

Shown in black / white / grey
