Dalton Color Select Wall Light

By Artcraft

Description

The Dalton Wall Light features a distinctive design with a clear outer glass surrounding a interior seeded cylinder glass, creating a unique and modern aesthetic. The LED lighting is skillfully integrated to accentuate the seeded glass, providing a visually striking and exceptional effect. Additionally, these models have a built-in LED switch, allowing users to effortlessly adjust the color temperature from 3000, 4000, and 5000 kelvin for a customizable lighting experience. This collection seamlessly combines functionality with an eye-catching design, making it an elegant choice for any bathroom space. Can be mounted up or down.
