## Saville Color Select Wall Sconce By Artcraft

### Description

The Saville Wall Sconce boasts a distinctive double glass design, with a clear outer layer and a soft white inner layer that imparts a warm and inviting glow. To complement the elegant glasswork, the frame is adorned in a rich finish, adding a touch of sophistication to the overall design of this exquisite wall sconce. Additionally, the models in this collection come with a convenient LED switch, allowing users to effortlessly adjust the color temperature from 3000, 4000, and 5000 kelvin for a customizable and ambient lighting experience. Can be mounted up or down.
