Saville Color Select Bathroom Vanity Light

By Artcraft

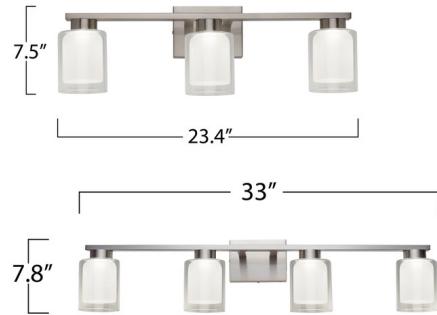

Description

The Saville Bathroom Vanity Light boasts a distinctive double glass design, with a clear outer layer and a soft white inner layer that imparts a warm and inviting glow. To complement the elegant glasswork, the frame is adorned in a rich finish, adding a touch of sophistication to the overall design of this exquisite bathroom vanity light. Additionally, the models in this collection come with a convenient LED switch, allowing users to effortlessly adjust the color temperature from 3000, 4000, and 5000 kelvin for a customizable and ambient lighting experience. Can be mounted up or down.

Shown in brushed nickel / clear / white
