Toledo Color Select Chandelier

By Artcraft

Description

The Toledo Color Select Chandelier, designed by designer Kevin Kraemer, boasts a striking 3-ring architecture. The outer ring is elegantly finished in black, and the inner is adorned in a lustrous brushed brass. This exquisite combination of contrasting colors creates a visually captivating chandelier. Illuminated by energy-efficient LED - the bottom, middle, and top rings illuminate. This model has a switch to change the color temperature from 2700, 3500 and 4500 kelvin. The pushpin system allows for easy height adjustment.
