Marble Chandelier / Wall Sconce Shade

By Currey & Company

Description

Add a pop of color and texture to any chandelier or wall sconce with this petite, handcrafted lamp shade made from artisanal marbled paper. Each shade is individually hand-dyed by a New England atelier using a traditional marbling technique, so no two shades are exactly alike. The swirling pattern forms organically as the paper is treated, giving every piece its own one-of-a-kind character. Available in both vivid and pastel colorways featuring a subtly swirling pattern finished with two tiers of grosgrain ribbon for a refined, tailored edge. The compact silhouette works equally well as a single accent shade or paired across a multi-arm fixture. Each shade sold separately. Clips on B10 candelabra base bulbs. Confirm fixture height and width clearance to ensure compatibility.
