Annabelle Chandelier / Wall Sconce Shade By Currey & Company

Description

The Annabelle Tapered Chandelier Shade brings soft, organic texture to any fixture with its handwoven pale teal seagrass construction. Designed by Suzanne Duin, founder of the Houston based shop and design studio Maison Maison, the shade reflects Duin's eye for authentic, globally sourced design. Each piece is handmade by artisans in South Asia as part of a woven product line crafted with the same attention to natural materials and texture that defines Maison Maison's collections. Each shade sold separately. Clips on B10 candelabra base bulbs. Confirm fixture height and width clearance to ensure compatibility.
