## Kenzo Vase

By Currey & Company

### Description

The sketched pattern on the surface of the Kenzo Vase was inspired by the art of Imperial Japan, particularly the Enso, a prolific symbol in the Zen practice of painting. Made of porcelain, the black and off-white vessel is finished on the inside; and it is hand-thrown, hand-glazed, and hand-decorated so the patterns on each vase will vary slightly.

Shown in off-white / black
