Saint Paul De Vence Vase

By Currey and Company

Description

Inspired by the development of 20th-century art pottery during the 1940's, the Saint-Paul-de-Vence Vase is a nod to the great experimentation going on at the time. This interpretation of that burgeoning creativity is made of terracotta that has been glazed in a matte black over which the whimsical figure has been hand-painted in white.

Shown in black / white
