Aarna Box Set of 2

By Currey & Company

Description

The Aarna Box Set of 2 with its basket-weave pattern is made of pieces of wood interspersed with strips of composite. The contrast of the textural woodgrains and the sleek composite creates such an interesting aspect to this design, as does the angular lines of the overall rectangular shapes that echo the elongated pieces on their surfaces. The interiors of the boxes are lined in white linen.

Shown in natural / ivory
