Happy 80S Vase Set of 2

By Currey and Company

Description

The Happy 80's Vase Set of 2 is a throwback to the decade when bold, vibrant, and eclectic ruled the stylistic spectrum, from interior design to fashion. Made of porcelain, the glazes on the exteriors of these vessels will vary because they are applied while the vases are spinning. This brings the two works of art a textural feel. The insides of the vases are covered in a black glaze, and the nicely fashioned lip surrounding their top-most points echoes the shapes of the bulges below them.
