Carson Side Table

By Currey & Company

Description

The Carson Side Table is made of concrete in an ivory terrazzo finish, the combination making it both sleek and durable for outdoor rooms, terraces and loggias. The ivory side table is created in pieces in a mold and then built so it is solid and sturdy. The concrete is mixed with tempered glass fibers that read as soft amber and metallic flecks embedded in the surface, adding a hint of glint to this sleek piece.
