Deanna Nightstand

By Currey and Company

Description

The Deanna Nightstand has panels of woven raffia on its drawer-fronts, sides, and top that are surrounded by strips of Okoume wood in a black finish, matching the nightstand's legs. The combination of black and beige bring this piece a tailored feel that fits within a wide spectrum of design styles, especially a room that exudes Hollywood glamour. The subtle texture of the raffia is a special aspect of this design, as is the fact the nightstand is fitted with an inset glass top to protect the natural fibers. Linear drawer pulls and a plinth base are made of metal in a brushed brass finish to bring elegance to the piece. 3 soft close drawers feature a velvet inside and tempered glass front.
