Shani Drinks Table

By Currey and Company

Description

The Shani Drinks Table is made of a finished metal and discs of clear optic crystal. The profile of the drinks table makes it an excellent choice for mid-century modern interiors, and it will be particularly perfect for rooms that could use pops of bright gold. The cap that fastens the top of this columnar drinks table to its pedestal elegantly rises above the surface, adding a unique and distinctive touch to its clean design.
