Lyndall Wall Light

By Currey & Company

Description

We designed the Lyndall Wall Sconce with simple shapes in mind. The clean feel of the glass shade and the unobtrusive fasteners that affix it to the metal ring, which match the fasteners on the wall-plate, contribute to the appeal. The antique brass finish on the top ring and wall-plate contrast the oil-rubbed bronze on the stem, which has several stylish accents: an optic crystal disc just before it meets the shade and a geometric fitting at its narrowing center.

Shown in antique brass / oil rubbed bronze / clear
