Agave Wall Sconce

By Currey & Company

Description

The Agave Wall Sconce was inspired by the flourishing plant of the same name, whose spiky, leathery fronds curl up from the ground. This sense of movement has been captured in the flowing spikes on this white wall sconce. The designer's passion for the Yucatan, the surroundings in which she lives and through which she translates the flora and fauna into dynamic products in her studio, shines in this wrought iron creation covered in a crisp gesso white finish.
