# Rossville Wall Sconce

By Currey & Company

## Description

If the Rossville Wall Sconce didn't have such contemporary lines, it could be a throwback to a nostalgic time when globe lights proliferated in ice cream parlors and theaters. But this nature-inspired gold sconce is more modern in its makeup with the thin arcing leaves that flow from it. Made of wrought iron in a contemporary gold leaf finish, the bobeches balance its three white glass globes brilliantly.
