## Saxon Wall Sconce

By Currey and Company

### Description

The Saxon Wall Sconce harkens back to the early days of design in American with its nostalgic references. The rattan wrapped around it brings it a stylistic twist, as the natural material broadens its appeal to a coastal aesthetic. This is an artisanal piece, as the rattan is painstakingly wrapped by hand and the saddle finish on the wrought iron is pitch-perfect in tone.

Shown in rattan

### Specifications
