Rochefort Outdoor Wall Sconce

By Currey and Company

Description

The Rochefort Wall Sconce is an outdoor fixture with beautiful lines that subtly draw themselves into a lantern-like form. The black powder-coated finish makes it durable for exterior environments and contrasts the milky white glass globe that it balances in its center. Whereas traditional lanterns may be limited to time-honored and transitional design aesthetics, the delicacy of the profile of this black outdoor sconce makes it fitting for mid-century modern homes and those that lean contemporary.
