Bombelles Wall Light

By Currey & Company

Description

The Bombelles Wall Sconce was designed to spread abundant light over a bathroom counter. The globe will be luminous when it is lit, as it is made of natural alabaster, and the finished metal adds warmth to the design. Alabaster is a natural material, so there will be slight variations in each of the fixtures. The Bombelles can be mounted with the globe pointing up or down.

Shown in oil rubbed bronze / natural
